**PLAINTIFF CROSSROADS SYSTEMS, INC.’S
FIRST AMENDED COMPLAINT FOR PATENT INFRINGEMENT**

THE PARTIES

1. Pursuant to Federal Rule of Civil Procedure 15(a)(1)(B), Plaintiff Crossroads Systems, Inc. (“Crossroads”) hereby submits its First Amended Complaint for Patent Infringement as a matter of course within 21 days after service of Cisco System, Inc.’s Answer and Affirmative Defenses (Dkt. No. 22).

2. Crossroads is a corporation incorporated under the laws of the State of Delaware and has its principal place of business at 11000 North MoPac Expressway, Austin, Texas 78759.

3. Upon information and belief, Defendant Cisco Systems, Inc. (“Defendant” or “Cisco”) is a California corporation with a principal place of business of 170 West Tasman Dr., San Jose, California 95134.

JURISDICTION AND VENUE

3. This action arises under the laws of the United States, more specifically under 35 U.S.C. § 100, *et seq.* Subject matter jurisdiction is proper in this Court pursuant to 28 U.S.C. §§ 1331 and 1338.

4. Personal jurisdiction and venue are proper in this district under 28 U.S.C. §§ 1391 and 1400(b). Upon information and belief, Defendant Cisco has established minimum contacts with this forum such that the exercise of jurisdiction over Defendant would not offend traditional notions of fair play and substantial justice.

5. This Court has personal jurisdiction over Cisco. Upon information and belief, Cisco regularly conducts business in the State of Texas and in this judicial district and is subject to the jurisdiction of this Court. Upon information and belief, Cisco has been doing business in Texas and this judicial district by distributing, marketing, selling and/or offering for sale its products, including, but not limited to, products that practice the subject matter claimed in United States Patent Nos. 6,425,035 (“the ’035 Patent”), 7,934,041 (“the ’041 Patent”) and 7,051,147 (“the ’147 Patent”) (collectively “the Patents-In-Suit”) and/or regularly doing or soliciting business and/or engaging in other persistent courses of conduct in and/or directed to Texas and this judicial district.

COUNT 1: INFRINGEMENT OF U.S. PATENT NO. 6,425,035

6. Crossroads incorporates by reference the allegations set forth in the preceding paragraphs.

7. On July 23, 2002, the ’035 Patent was duly and legally issued. A true and correct copy of the ’035 Patent is attached hereto as Exhibit A. Crossroads is the assignee and the owner of all right, title, and interest in and to the ’035 Patent. The ’035 Patent is entitled to a presumption of validity.

8. On information and belief, Defendant has directly infringed the ’035 Patent. On information and belief, Defendant continues to directly infringe the ’035 Patent.

9. Specifically, on information and belief, Defendant has directly infringed the '035 Patent by making, using, offering for sale, selling and/or importing into the United States certain of its products including at least the following: Cisco MDS 9200 Series Switches and Cisco MDS 9500 Series Multi-Layer Directors with compatible modules providing iSCSI interfaces (including but not limited to Cisco's 18/4-Port Multiservice Module), Cisco MDS 9500 Series Multi-Layer Directors with compatible modules providing FC interfaces (including but not limited to 1/2/4/8 Gbps 48 Port FC Switching Module, 1/2/4/8 Gbps 24 Port FC Switching Module, 1/2/4/8 Gbps 4/44 Port Host Optimized FC Switching Module, 4 Port 10 Gbps FC Switching Module), Cisco MDS 9200 Series Switches (including but not limited to MDS 9222i, MDS 9216A, MDS 9216i), Cisco MDS 9134 Multilayer Fabric Switches, Cisco MDS 9124 Multilayer Fabric Switch, Cisco MDS Fibre Channel Blade Switches, Cisco Invicta C312SA Appliance, Cisco UCS Invicta Scaling System (hereinafter "the Accused Products").

10. Further, on information and belief, Defendant has been and now is indirectly infringing by way of inducing infringement of the '035 Patent with knowledge of the '035 Patent by making, offering for sale, selling, importing into the United States, marketing, supporting, providing product instruction and/or advertising certain of its products, including the Accused Products, and Defendant knew that its actions were inducing end users to infringe the '035 Patent.

11. Further, on information and belief, Defendant has been and now is indirectly infringing by way of contributing to the infringement by end users of the '035 Patent by selling, offering to sell and/or importing into the United States components, including the Accused Products, knowing the components to be especially made or especially adapted for use in the

infringement of the '035 Patent. Such components are not a staple article or commodity of commerce suitable for substantial non-infringing uses.

12. Defendant has been on constructive and/or actual notice of the '035 Patent since at least as early as October 2002, and Defendant has not ceased its infringing activities. The infringement of the '035 Patent by Defendant has been and continues to be willful and deliberate.

13. Crossroads has been irreparably harmed by Defendant's acts of infringement of the '035 Patent, and will continue to be harmed unless and until Defendant's acts of infringement are enjoined and restrained by order of this Court.

14. As a result of the acts of infringement of the '035 Patent by Defendant, Crossroads has suffered and will continue to suffer damages in an amount to be proven at trial.

COUNT 2: INFRINGEMENT OF U.S. PATENT NO. 7,934,041

15. Crossroads incorporates by reference the allegations set forth in the preceding paragraphs.

16. On April 26, 2011, the '041 Patent was duly and legally issued. A true and correct copy of the '041 Patent is attached hereto as Exhibit B. Crossroads is the assignee and the owner of all right, title, and interest in and to the '041 Patent. The '041 Patent is entitled to a presumption of validity.

17. On information and belief, Defendant has directly infringed the '041 Patent. On information and belief, Defendant continues to directly infringe the '041 Patent.

18. Specifically, on information and belief, Defendant has directly infringed the '041 Patent by making, using, offering for sale, selling and/or importing into the United States certain of its products including at least the Accused Products.

19. Further, upon information and belief, Defendant has been and now is indirectly infringing by way of inducing infringement of the '041 Patent with knowledge of the '041 Patent by making, offering for sale, selling, importing into the United States, marketing, supporting, providing product instruction and/or advertising certain of its products, including the Accused Products, and Defendant knew that its actions were inducing end users to infringe the '041 Patent.

20. Further, upon information and belief, Defendant has been and now is indirectly infringing by way of contributing to the infringement by end users of the '041 Patent by selling, offering to sell and/or importing into the United States components, including the Accused Products, knowing the components to be especially made or especially adapted for use in the infringement of the '041 Patent. Such components are not a staple article or commodity of commerce suitable for substantial non-infringing uses.

21. Defendant has been on constructive and/or actual notice of the '041 Patent since at least as early as May 2011, and Defendant has not ceased its infringing activities. The infringement of the '041 Patent by Defendant has been and continues to be willful and deliberate.

22. Crossroads has been irreparably harmed by Defendant's acts of infringement of the '041 Patent, and will continue to be harmed unless and until Defendant's acts of infringement are enjoined and restrained by order of this Court.

23. As a result of the acts of infringement of the '041 Patent by Defendant, Crossroads has suffered and will continue to suffer damages in an amount to be proven at trial.

COUNT 3: INFRINGEMENT OF U.S. PATENT NO. 7,051,147

24. Crossroads incorporates by reference the allegations set forth in the preceding paragraphs.

25. On May 23, 2006, the '147 Patent was duly and legally issued. A true and correct copy of the '147 Patent is attached hereto as Exhibit C. Crossroads is the assignee and the owner of all right, title, and interest in and to the '147 Patent. The '147 Patent is entitled to a presumption of validity.

26. On information and belief, Defendant has directly infringed the '147 Patent. On information and belief, Defendant continues to directly infringe the '147 Patent.

27. Specifically, on information and belief, Defendant has directly infringed the '147 Patent by making, using, offering for sale, selling and/or importing into the United States certain of its products including at least: Cisco MDS 9500 Series Multi-Layer Directors with compatible modules providing FC interfaces (including but not limited to 1/2/4/8 Gbps 48 Port FC Switching Module, 1/2/4/8 Gbps 24 Port FC Switching Module, 1/2/4/8 Gbps 4/44 Port Host Optimized FC Switching Module, 4 Port 10 Gbps FC Switching Module,), Cisco MDS 9200 Series Switches (including but not limited to MDS 9222i, MDS 9216A, MDS 9216i), Cisco MDS 9134 Multilayer Fabric Switches, Cisco MDS 9124 Multilayer Fabric Switches, Cisco Fibre Channel Blade Switches (hereinafter "the Accused Fibre-to-Fibre Products").

28. Further, upon information and belief, Defendant has been and now is indirectly infringing by way of inducing infringement of the '147 Patent with knowledge of the '147 Patent by making, offering for sale, selling, importing into the United States, marketing, supporting, providing product instruction and/or advertising certain of its products, including the Accused Fibre-to-Fibre Products, and Defendant knew that its actions were inducing end users to infringe the '147 Patent.

29. Further, upon information and belief, Defendant has been and now is indirectly infringing by way of contributing to the infringement by end users of the '147 Patent by selling,

offering to sell and/or importing into the United States components, including the Accused Fibre-to-Fibre Products, knowing the components to be especially made or especially adapted for use in the infringement of the '147 Patent. Such components are not a staple article or commodity of commerce suitable for substantial non-infringing uses.

30. Defendant has been on constructive and/or actual notice of the '147 Patent since at least as early as August 14, 2006, and Defendant has not ceased its infringing activities. The infringement of the '147 Patent by Defendant has been and continues to be willful and deliberate.

31. Crossroads has been irreparably harmed by Defendant's acts of infringement of the '147 Patent, and will continue to be harmed unless and until Defendant's acts of infringement are enjoined and restrained by order of this Court.

32. As a result of the acts of infringement of the '147 Patent by Defendant, Crossroads has suffered and will continue to suffer damages in an amount to be proven at trial.

DEMAND FOR JURY TRIAL

Crossroads hereby demands a trial by jury on all issues.
