COUNT I **INFRINGEMENT OF U.S. PATENT NO. 7,561,078**

6. NCKU is the owner of all rights, title and interest to United States Patent No. 7,561,078 ("the '078 Patent") entitled "System and Method for Encoding a Data Set." The '078 Patent was issued on July 14, 2009 after a full and fair examination by the United States Patent

and Trademark Office. The application leading to the '078 Patent was filed on November 9, 2007. Attached as Exhibit "A" is a copy of the '078 Patent.

7. The '078 Patent is generally directed to an encoding system for data set, particularly for a video data set.

8. On information and belief, Maxim has been and now is infringing the '078 Patent in the State of Texas, in this judicial district, and elsewhere in the United States by making, using, importing, selling or offering to sell devices used to determine the similarity between an input speech data and sample speech data such devices that incorporate methods, and system units according to the '078 Patent. On information and belief, examples of Maxim products that infringe the '078 Patent include, but are not limited to, all Maxim products using block-oriented motion compensation video as embodied in the ITU-T H. 264 Standard, including the H.264 Video Codec System-on-chip (SoC) ICs. Maxim is thus liable for infringement of the '078 Patent pursuant to 35 U.S.C. § 271.

10. As a result of Maxim's infringement of the '078 Patent, NCKU has suffered monetary damages in an amount not yet determined, and will continue to suffer damages in the future unless Maxim's infringing activities are enjoined by this Court.

11. Unless a permanent injunction is issued enjoining Maxim and its agent, servants, employees, representatives, affiliates, and all others acting on or in active concert therewith from infringing the '078 Patent, NCKU will be greatly and irreparably harmed.

PRAYER FOR RELIEF

WHEREFORE, NCKU respectfully requests that this Court enter:

A. A judgment in favor of NCKU that Maxim has infringed the '078 Patent, and that such infringement was willful;

B. A permanent injunction enjoining Maxim and its officers, directors, agents, servants, affiliates, employees, divisions, branches, subsidiaries, parents, and all others acting in active concert therewith from infringing the '078 Patent;
